

BMT InfoNet is a fantastic source of information! My whole family relied on your books and website to understand what to expect as I prepared for my treatment. ~ Jim D.

Our Mission

BMT InfoNet is a not-for-profit organization dedicated to providing patients and their loved ones with emotional support and high quality, practical information about bone marrow, stem cell and cord blood transplants and CAR T-cell therapy.

Whether you are just beginning the transplant or CAR T-cell journey or learning to manage the joys and challenges of survivorship, BMT InfoNet is here to help you every step of the way.

"BMT InfoNet's Video Library is a gem. Great information from top experts about how to protect my health long-term." ~ Michelle B.

Get Emotional Support bmtinfonet.org/caring-connection

Our Caring Connections Program can link you with someone who has been through transplant or CAR T-cell therapy and is ready to listen to your concerns.

Whether you're the patient, caregiver, other family member or friend, our trained volunteers are ready to support you.

"I don't know how I would have gotten through my daughter's transplant without the help of a Caring Connections volunteer. She really understood what I was going through." ~ Caroline W.
